Re: Upper Tuscaloosa Sand, Reservoir A
Judge Digby Field
Pointe Coupee Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **BP AMERICA PRODUCTION COMPANY** for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Upper Tuscaloosa Sand, Reservoir A, in Judge Digby Field, Pointe Coupee Parish, Louisiana, for which rules and regulations were established and drilling and production units were created for the exploration for and production of gas and condensate by Office of Conservation Order No. 1046, effective September 6, 1978, as amended and supplemented by the 1046-A Series of Office of Conservation Orders, including the unit designated U TUSC RA SUJ:

1. To permit the applicant to drill, designate and utilize its Roy O. Martin Lumber Company No. 1 Well as substitute unit well for the U TUSC RA SUJ, said well located as shown on the plat attached hereto, in exception to the spacing provisions of Office of Conservation Order No. 1046-A-20, effective January 30, 2001.
2. To find that the proposed substitute unit well at the location shown on the attached plat is necessary to efficiently and economically drain a portion of the reservoir

covered by the unit in which it is situated which cannot be so drained by any existing well within such unit.

3. Except to the extent contrary herewith, to continue in full force and effect the provisions of Office of Conservation 1046, as amended and supplemented by the 1046-A Series of Office of Conservation Orders, the units created thereby, and applicable Statewide Orders.
4. To consider such other matters as may be pertinent.

The Upper Tuscaloosa Sand, Reservoir A, in Judge Digby Field, Pointe Coupee Parish, Louisiana, was previously defined in Office of Conservation Order No. 1046, effective September 6, 1978, and redefined by Order No. 1046-A-14, effective January 12, 2000.

The existing unit well has been plugged and abandoned. The applicant is therefore requesting permission to recomplete, designate and utilize its Roy O. Martin Lumber Company No. 1 Well as substitute unit well for the U TUSC RA SUJ, in exception to the spacing provisions of Office of Conservation Order No. 1046-A-20.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal along with a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed is our check on behalf of the applicant in the amount of \$755.00 **made payable to the Office of Conservation** and representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
